

SPEC SHEET

Mini Flexible Gooseneck Display Light

- Flexible Gooseneck
- Energy Efficient
- Easy to Install
- Silver Finish

STDC150/4G

Description

Bright, focused lighting to bring out the sparkle of your gems. LED Jewelry Case lighting is the economical solution with long lifespan! The Mini Flexible Gooseneck Display Light fits nicely in any modern display and it's High-Tech look blends well with most jewelry glass cases. The fixture is about 4.25" tall but can be adjusted in order to direct light to desired area. Efficiently placed LED lights enhance visual merchandising and ultimately lead to a greater customer experience and improved sales performance.
