

## SPEC SHEET

### 4" LED Dedicated Remodel Housing

### NHRIC4LMRAT

- Energy Efficient
- Easy to Install
- LED Dedicated Can

### Description

The 4" LED Dedicated Remodel Housing is high quality, light weight, and ideal for use in insulated ceilings. Airtight construction reduces energy costs by reducing the amount of air escaping through the ceiling. Rated for direct contact with insulation and combustive materials, Step 1 Dezigns Remodel IC housings install into existing drywall or wood ceilings with no above access.

### Specifics:

**Clearance:** "IC" Insulated ceiling housings are direct contact rated; no minimum clearance is required.

**Mounting:** Four high tension tempered steel springs secure remodel housing to 5/8" thick (max) ceiling.

**Junction Box:** Prewired 25 cubic inch 0.064" thick galvanized steel, with five 1/2", two 3/4" knockouts.

**Lamp:** LED Dedicated, Sold Separately

**Dimmable:** Yes, if used with compatible dimmers.

**Labels & Listing:**

- cULus Listed for Damp Location w/ Feed Through.
- WSEC ASTM E283 or Air-Tight
- Energy Star Rated
- RoHS Compliant
- CA Title 24 Compliant

**Size:** 4.75" L x 13" W x 5.5" H
