

SPEC SHEET

RGB LED Par Can Light

PCAN-TRIPAR

- Ultra bright slim flat black Par Can
- Unique “sit-flat” design
- Smooth RGB Color Mixing (fast or slow color change operation)
- 3-IN-1 TRI LEDs (RGB) - casts no RGB shadows

Description

The RGB LED Par Can is a compact, low profile par designed for up-lighting and stage lighting, and will bring color and excitement to any party. This fixture features an unique “sit-flat” design so that it may sit directly on the ground or inside truss without the scissor yoke because the power & DMX ins and outs are mounted on the side of the fixture, not on the rear.
