

SPEC SHEET

LED 7 Watt Deep Cone

STDC130

- Energy Efficient
- Easy to Install
- Available in Warm White 3000k and Cool White 5000k

Description

The LED 7 Watt Deep Cone recessed light is perfect for your ceiling for a stylish room upgrade. Our LED Recessed Deep Cone fixtures are 7 Watts and are equivalent to a 75 Watt MR16 halogen but without the heat and UV effects. This LED Fixture is available in 4 new finishes and includes high tension mounting clips for easy installation.
